

INVITATION

SESSION 6 - Digital Europe Programme (DEP) Applicant Training Series

BLACK-BELT PROPOSAL WRITING AND PROJECT MANAGEMENT

How to write a winning Digital Europe Programme proposal – and manage it successfully?

Join our next **DEP4ALL EU training** and unlock the secrets of not only writing successful Digital Europe Programme (DEP) applications, but also managing projects effectively once they are funded!

The DEP is shaping the EU's digital future — supporting cutting-edge initiatives in **AI, supercomputing, cybersecurity, semiconductors and chips, wider use of digital technologies, data spaces, and advanced digital skills**. But with fierce competition and complex requirements, how can you make your proposal stand out *and* ensure smooth, impactful implementation?

Our course gives you the inside track:

- **From Concept to Proposal** – Step-by-step through the writing process, from concept to submission.
- **Templates Unlocked** – Master every block and template with ease.
- **Portal Navigation** – Find your way on the Funding & Tenders Portal like a pro.
- **From Grant to Action** – Agreement prep, project management & smooth implementation.
- **Making Projects Work** – Manage a winning EU project: tasks, challenges & reporting obligations.

Whether you are a university researcher, innovator, SME owner, public body, or NGO leader, this course equips you with the strategies and confidence to compete — and win — in the Digital Europe Programme, while ensuring your projects deliver maximum impact.

Don't just apply. Apply to win.

Reserve your spot today and take the first step towards your next funded digital innovation project!
